

# Coronavirus Update

## Friday, March 13, 2020

Team85 Fitness & Wellness, LLC, continues to actively monitor the rapidly evolving status of the 2019 novel coronavirus (COVID-19). As of yesterday, New Jersey has 23 presumed positive cases. The safety of our members, colleagues and community is our highest priority, and we share the following updates based on guidance from the Centers for Disease Control and Prevention (CDC) and the New Jersey Department of Health.

### **Temporary Status of Team85 Facility, Classes and Events:**

Team85 Fitness & Wellness, LLC, has made the decision beginning on Monday, March 16, 2020 to take the following necessary steps to protect, our members, our employees and our community, we will re-evaluate the situation on March 30, 2020:

- The Health Club will remain open for basic health and fitness activity;
- Team Salon and Spa will remain open;
- Swim Lessons will remain as scheduled;
- Team GTP will remain as scheduled, unless altered by Team GTP;
- Individual Basketball Lessons will remain as scheduled;
- Personal Training will continue based on client and trainer discretion;
- Only current members will be permitted access to the facility;
- All new membership sales are to be placed on hold and no new memberships will be sold so as to protect Our existing community
- Guest Passes will not be permitted or given out;
- Team Kids will be closed and all associated classes are being postponed;
- Team Cafe will be closed;
- Group Exercise Classes are suspended;
- The Men's Basketball League has been suspended;
- The Team85 Swim Team is suspended;
- TLP will be suspended and the start date will be delayed;
- Profit is suspended and all participants will receive a complimentary month due to the interruption of the program;
- My Zone Bingo Challenge is suspended;
- Football Academy is suspended;
- Open Rec Sports (volleyball, basketball, pickle-ball and badminton are suspended
- Birthday Parties are suspended

Team85 Fitness & Wellness has made the decision to place the above restrictions on our facility through March 30, 2020. While we will post this announcement Online, in our publications and in social media, if you have the additional ability to reach out to your participants and personalize this message, here is some verbiage you may use:

"The health and well-being of this community is our top priority, so we are following guidelines from the Centers for Disease Control and Prevention to help slow the spread of the novel coronavirus (COVID-19) by temporarily adjusting and postponing various events and departments within our facility through March 30, 2020."

If you have questions about how this may apply to your specific department and/or event and need assistance, please contact [info@team85fitnessandwellness.com](mailto:info@team85fitnessandwellness.com).

### **Flyer — Prevent the Spread of Germs**

Please find the attached flyer outlining ways to help prevent the spread of germs. By following these tips, you will continue to protect yourself, your colleagues, and the community. Please post this flyer in your units accordingly.

### **COVID-19 Communication Process**

In times of uncertainty and when things are changing so rapidly, it is more important than ever to have one source of truth. In order to assure the most accurate information is being distributed, future issues of *Coronavirus Update* will come from [info@team85fitnessandwellness.com](mailto:info@team85fitnessandwellness.com).

Please remember that **All** COVID-19 related communication must be vetted and approved through the established Incident Management team process. If you have a coronavirus message that you would like to distribute, please bring it to the attention of the Incident Command team or email it to [info@team85fitnessandwellness.com](mailto:info@team85fitnessandwellness.com) to be sent through the established approval process.

### **Preventive Health Best Practices**

We understand the confirmed COVID-19 cases in New Jersey may bring additional anxiety, stress, and concerns for the health and well-being of our colleagues, their families, and our communities. We will continue to find the balance between responsible precautions given our unique role in our community, while not contributing to any feeling of panic with our colleagues and in our communities. As always, we ask that you stay informed, remain vigilant about washing your hands, and avoid large crowds. Maintaining our collective health is critical and ensures we can continue serving the needs of our patients, families, and communities.

We will continue to inform you of new developments and changes in guidelines as the status evolves and unfolds.
